### **DETAILED ACTION**

1. Applicant has cancelled claims 1-57 and added claims 58-61.
2. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.

### ***Claim Objections***

3. Claims 59 and 61 objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form.

### ***Allowable Subject Matter***

4. Claims 58 and 61 are allowed.
5. The following is an examiner's statement of reasons for allowance:

As per Claims 58, 60.

The prior art of record, specifically, Walker et al (207) in view of Gilles et al (797) does not disclose or fairly teach:

permitting a plurality of loan applicants to search that database, whereby those loan applicants can obtain information on loan applications likely to be accepted by at least one of those prospective loan makers, and permitting loan applicant's to modify that database to alter information associated with at least one such loan application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
